

Organized International workshop on Fisheries Management and Ecology: Fostering knowledge exchange

A International workshop was organised on “Fisheries Management and Ecology: Fostering knowledge exchange” by Manipur University, Imphal in coordination with **ICAR-Directorate of Coldwater Fisheries Research, Bhimtal** during 7-9 March, 2024. Event was inaugurated by Hon’ble Vice Chancellor, Manipur University, Imphal in presence of other dignitaries. More than 20 deliberations were presented by the National & International scientists, academicians and research scholars. Lead talk on the theme of the workshop was presented by Dr. Pramod Kumar Pandey, Director, ICAR-DCFR Bhimtal and other international speakers from Germany. Workshop was concluded with need felt recommendations and possibilities of knowledge sharing with international partners.
