

ICAR-DIRECTORATE OF COLDWATER FISHERIES RESEARCH, BHIMTAL

National Workshop on

Mahseer in Recreational Fisheries and Eco-tourism in NE India

In collaboration with
JASINGFAA AQUA TOURISM CENTRE
1-2, October, 2016

Recommendations

- (1) Sprawling effort should be given to promote fish based tourism (Mahseer sanctuaries/Mahseer eco-park) utilising the fish and fishery resources of the NE Himalayan region.
- (2) Angling as sports fishing should be encouraged with scientific **Catch & Release** method.
- (3) Establishment and strengthening of “Mahseer Brood Bank” to achieve more success of breeding of mahseer in captivity.
